General Information

This event is open to both men and women and is conducted by Avondale staff on behalf of the Homecoming Committee. It is open to both men and women.

The Golf Classic is a team event run in the form of a two-person Ambrose competition played over 18 holes.

Teams compete in both the Open and Handicap Divisions. The team winning the Open Division will not be eligible for prizes in the Handicap Division.

Ambrose Play

Both team members play as one person. Each team member tees off. Team members decide between themselves which ball is in the best position from which to play the next shot. Both balls are then played from that position. The process continues through to the green. Once on the green, the team decides which ball is in the best position to putt from. Both balls are then played from that position. The hole is completed when one ball is holed. Strokes are counted on the best shots only.

Rules

The standard laws of golf apply as do the by-laws of the Toronto Country Club. Dress rules apply and players are asked to refer to the notice board outside the pro shop for specific by-laws that may apply.

Preferred Lies: A 15 cm preferred lie is available on the fairway and in the rough for both players.

Tees

Men play off **Yellow** tees

Women play off **Red** tees (or yellow if closer to the hole).

Prize Categories

Open Division	First 2 teams with the lowest score
Handicap Division	First 2 teams with the lowest score
Closest to Pin on all Par 3	To the player who lands the ball on the green closest to the pin on any Par 3
Longest Drive	To the player who drives the ball the greatest distance from the tee on the nominated hole. <i>To be eligible, the ball must come to the rest on the fairway.</i>
Hole in One	To the player who scores an eagle on the nominated Par 3 hole.
Wooden Spoon	To the team with the highest score

Open Division

The team with the lowest gross score off the stick will be declared the winners of the Open Division.

Handicap Division

The team with the lowest handicap score will be declared the winners of the Handicap Division.

A handicap is given on a team basis. The team handicap is calculated by the sum of the team member's handicap divided by four. For example, for a team where the individual handicaps are 12 and 17, the team handicap would be 7.

The maximum individual handicap allowed will be 27 for men and 32 for women.

To assist in determining an appropriate handicap, please note on the registration form how often you play and your average score.

The honesty of both golfers and fisherman is legendary. Please keep in mind the spirit of the game when making handicap declarations.
