General Information
This event is conducted by the Advancement staff of Avondale College on behalf of the Homecoming Committee. This is open to both men and women, and is a team event run in the form of a two person Ambrose competition played over 18 holes. Teams compete in both the Open (gross score off the stick) and Handicap divisions. The team winning the Open Division will not be eligible for prizes in the Handicap division.

Rules
The standard laws of golf apply as do the by-laws of the Toronto Country Club. Dress rules apply and players are asked to refer to the notice board outside the pro shop for specific by-laws that may apply.

In addition please note the following:
- Tees: Men are to use the yellow tees. Women should use the red (or yellow if closer to the hole).
- Preferred Lies: A 15 cm preferred lie is available on the fairway and in the rough for both players.

Game Format
Ambrose Play
The Ambrose style of competition is one where both team members play as one person. Each team member tees off. Team members decide between themselves which ball is in the best position from which to play the next shot. Both balls are then played from that position. The process continues through to the green. Once on the green, the team decides which ball is in the best position to putt from. Both balls are then played from that position. The hole is completed when one ball is holed. Strokes are counted on the best shots only.

Open Division
The team with the lowest gross score off the stick will be declared the winners of the Open Division.

Handicap Division
A handicap is given on a team basis. The team handicap is calculated by the sum of the team member’s handicap divided by four. For example, for a team where the individual handicaps are 12 and 17, the team handicap would be 7. The maximum individual handicap allowed will be 27 for men and 32 for women. It is understood that many of the players will not have an official handicap. To assist in determining an appropriate handicap, you will need to inform the organiser how often you play and your average score on the registration form. The honesty of both golfers and fisherman is legendary, and is requested that competitors keep in mind the spirit of the game when making their handicap declarations. The team with the lowest handicap score will be declared the winners of the Handicap Division.

Prize Categories
Open/Handicap Division: The team with the lowest score in each Division.
Champion Student Award: To the best performed team of current Avondale College students.
Closest to the Pin: To the player who lands the ball on the green closest to the pin, on the nominated holes.
Longest Drive: To the player who drives the ball the greatest distance from the tee on the nominated hole. To be eligible, the ball must come to the rest on the fairway.
Hole in One: To the player who scores an eagle on the nominated Par 3 hole.
