

# QUALITY ASSURANCE MODEL

## AN INTEGRATED A<sup>4</sup>I<sup>2</sup> QUALITY ASSURANCE MODEL - A NEW MODEL

The proposed Avondale QMS comprises the following elements:

1. The Strategic Plan with targets relevant to Accountability for Improvement & Impact Outcomes supported by Faculty and Department Operational Plans;
2. An integrated committee structure for monitoring quality and standards;
3. An Accreditation Framework for cyclical and spontaneous review to assure quality of curriculum design and delivery;
4. A Continuous Improvement methodology which includes a system whereby internal processes are continually audited and improved against relevant external benchmarks to ensure that the College's performance is comparable to those in the Australian higher education sector;
5. A Policy Repository which is continually updated, including authorisation and versioning process for policies and all relevant marketing and promotional material;
6. A Data System for informing best-practice and identifying gaps; and
7. A Closing the Loop 'Step-Up' work-practice
