- ┆ Promoting the health or welfare of students
- ┆ Providing food or drink to students on campus of the higher education provider.

In 2022 we will continue to work within these spaces until student feedback says otherwise.

SSAF IN 2022:

Student Service Amenities Fee Initiatives:

Of the \$210,000 SSAF funding budgeted for 2022, \$35,000 has been allocated to support student initiatives on our two campuses. The breakdown of the \$35,000 is listed below:

Lake Macquarie Campus: \$30,000

Sydney Campus: \$5,000

In 2022 we will continue to utilize student feedback via student associations and the annual SSAF survey to understand the student voice and where they would like to see SSAF initiative funding allocated next.

Outdoor Student Hubs

In 2022 we will continue to follow through with SSAF funded initiatives that were put on hold in 2019 – 2021. Outdoor student hubs that promoted well-being will be the focus, with past unspent funds going towards stage two of these projects. Students will be able to see the progress of these projects in the following months, with a budget breakdown and future proposed stages.

Listed below are areas we are still working towards building to make the student voice more prominent and present in the SSAF space.

Student Service Amenities Fee

Consultative Committee:

In 2022 Avondale University will work alongside the students to roll-out the first stages of the Student Services and Amenities Fee Consultative Committee (SSAFCC).

The SSAFCC will meet with student leaders and utilise the SSAF survey feedback to identify key areas that need SSAF funding and make recommendations on the expenditure of SSAF revenue in 2022.

More information regarding SSAF changes will be available on the student life services website.

Important SSAF Dates:

SSAF Survey will be sent to student emails at the beginning of semester 2.

Student Proposals for SSAF funding:

Due to COVID-19 proposals were put on hold until further notice. Now with the return of on-campus learning we are working toward re-instating SSAF proposals. Proposal applications will be available online by semester 2.

The SSAFCC considers the projects and makes recommendations to the SSAF officer on the allocation of the priority projects from each campus.

SSAF funding for expenditure on capital and service improvements for these projects is drawn from the allocated \$35,000.

The student initiatives form will be available by the student life services website.
