## RESEARCH FUNDING APPLICATION - INTERNAL

---

Applications for research funding are submitted annually to the September meeting of the Research Committee. In order to allow timely processing applications need to be submitted to the Research Services Office by 12 September 2006.

1. Project Title (provide a short description of no more than 20 words.)

2. Investigators

Designation	Name	Institution	Commitment (days per month)
Chief Investigator			
Partner Investigator			
Partner Investigator			
Partner Investigator			
Partner Investigator			

3. Total costs	\$ _____
----------------	----------

4. Years for which support is being sought	2007	2008	2009	2010	2011
--	------	------	------	------	------

5. Summary of Project

Explain in 100-150 words the main aims, significance and expected outcomes, and identify the benefit to the relevant communities.

6. Summary of National/Community Benefit (for publicity purposes)

Explain in 100-150 words the national/community benefit that is expected to arise from this research

7. Research Students

The College is interested in reporting the number of Research Students that would be involved in this project if it is funded. Please enter the number of student places (full-time equivalent) that will be filled as a result of this project.

Number of Research Student Places (FTE): \_\_\_\_\_

8. Period of project

Estimated dates	Project Start Date	Project End Date

9. Research Proposal (no more than six additional pages)

9.1 Background and Aims

9.2 Approach (Methodology)

9.3 Proposed Timetable

9.4 Role of Personnel (CI, PIs and RHD candidates)

10. Certification

Please obtain the authorisation of the supervisor where applicable. Attach letters or other evidence in support of claims where necessary.

	Authorising Person	Date
The Dean of Faculty has agreed to this proposal		
The estimated time to undertake this project can be accommodated in the workloads of the investigators (VPAA, Dean)		
Investigators agree that funds will be expended for their stated purpose		
Sufficient office and/or workspace is available		
External agencies or organisations involved in this proposed study have agreed to provide access to staff, premises and/or infrastructure		
Prospective respondents have agreed to participate		
Participants will be advised of privacy regulations		
Ethical clearance must be obtained prior to commencement of the data gathering phase.		
All details in this proposal are true and correct		
Approval to proceed (VPAA)		

11. Funding Requested (ex GST) for \_\_\_\_\_ (year[s])

	<b>Itemised list of costs</b>	<b>Total</b>
Personnel costs		
Teaching relief costs		
Resource and equipment costs		
Maintenance		
Travel		
Other		
<b>TOTAL</b>		

Identify other sources of funding for which you are applying that may contribute to this project. Can this project proceed if the other grants for which you are applying are unsuccessful?
