

What is an Enrolment Declaration?

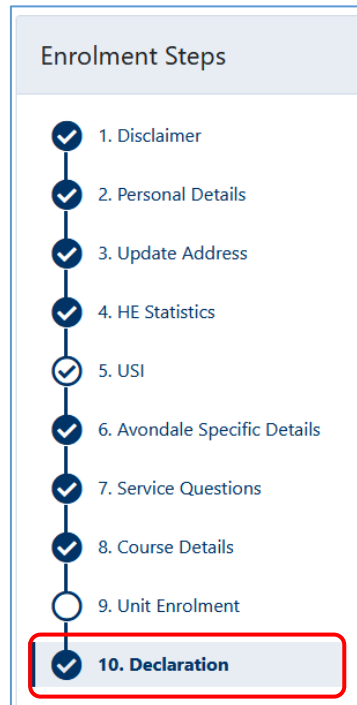

As a student studying at Avondale, we need to ensure you know where to find information and agree to specific requirements as a part of being a student. The Enrolment Declaration is one place where this occurs. It is important that you read the declaration and submit it as a part of your enrolment process.

How do I submit my declaration?

Step 1: Go to the Declaration Step

Go to the menu item 'Declaration' in the Self-Enrolment Process. All students are required to submit a declaration after all steps in the Self-Enrolment process have been completed.
