- Avondale University College Finance & Business Office will confirm acceptance of the Application form.
- Avondale will contact the Student once a Unit becomes available and will confirm Enrolment and Financial clearance.
- Managing Agent will contact Student and provide a Residential Tenancy Application Form and notify the Student if their application is successful.

GENERAL INFORMATION

- College View Residences (Family Units) Village comprises 36 unfurnished two bedroom units/apartments, with carport and storage area. Each unit is fully self-contained, having two bedrooms, a lounge room/living room, kitchen, bathroom, laundry and carport.
- The units are about a ten minute easy walk to college.
- A small shopping village is with in three minutes walk from the units that includes a general store, pharmacy, take away, doctor, cafe, real estate, music store, hairdresser, and news agency. There is also an Adventist book centre with in one minute of the units.
- There are six SDA churches in close proximity to the units.
- Mail for occupants of the units will be placed in the day student mail boxes in College Hall.
- Animals are not permitted other than aquarium fish.

ELIGIBILITY

- The units are available for students who are completing 18 credit points or 3 subjects of an approved Avondale degree, diploma or certificate course, in any semester. Applicants who make changes during their course to less than 18 credit points per semester may be asked to find other accommodation.
- The units are generally designed for young married couples without children, parents of one or two very young children and single parents with one or two very young children. Parents with three or more children may be required to find alternative accommodation.
- Units are allocated according to the date Avondale University College Finance & Business Office receives the Application Form, Avondale acceptance letter and successfully completes a Residential Tenancy Application with our Managing Agent. It is recommended that applicants apply well in advance of needing a unit.
