STEP 2: Click on 'Create New Application'

Welcome to the Avondale Online Applicant Portal

Before you begin your application, take time to research the course(s) you want to study.

Take particular note of:

- Any major or specialisation that you may wish to include as part of your chosen course(s).
- The modes of study that are available (i.e. on or off campus, full or part time).
- Any entry requirements for the courses you are interested in.

[Click here to view courses](#)

Once you have done your research, come back to this page and start the process by creating your new application.

Create New Application

Create a New Application if:

- You are applying to study at Avondale for the first time; OR
- You are a former Avondale student who has completed one course and wishes to study another course.

Review/Edit Application

Do you need to Edit or Review your Application?

- You can review or edit your application at any time prior to submitting it.
- You should also regularly check any application that you have submitted to see the offer we have made and to accept that offer.

Accept your Course Offer

Have you accepted your course offer?

- You must have received a course offer letter from Admissions before you can accept your offer.
- Once you have accepted your offer you will then be able to select your first units of study (see 'Getting Started' note below).
- Accepting your offer will also provide you with access to our online systems such as Student Connect, Moodle and the Library databases.

NOTE: Once you have accepted your course offer, click here to go to our 'Getting Started' guide, select the student type that best describes you and then follow the steps outlined there, starting with Step 2 (Choose/Enrol in your units).

If you have forgotten your login details or need assistance, please contact the Callista support team on +61 2 4980 2246 or callista.support@avondale.edu.au for help.
