Vocational Educational Training Government Statistics

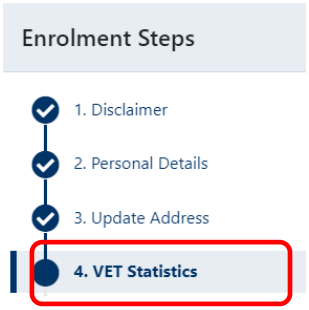

What are Vocational Educational Training (VET) Government Statistics?
As a part of your study within Australia, there is certain information the Australian Government Requires Avondale to gather and provide to them through various reporting mechanisms. These questions are required as a part of that process and are specific to the VET Sector. The answering and submission of these questions is a mandatory requirement should you wish to study at Avondale in a VET course. You must complete and submit responses to these questions.

How do I submit my VET Statistics?
